

GAS SERVICEMAN

OPENING DATE: September 2, 2020

CLOSING DATE: September 18, 2020

The City of Holly Springs Utility Department is accepting applications to fill the position of Gas Serviceman.

JOB TITLE: GAS SERVICEMAN

DUTIES: Performs skilled work in the inspection, construction, operations, and maintenance of the natural gas system.

QUALIFICATIONS: High School Diploma or General Educational Development (GED). DOT Operator Qualification, plastic fusion, welding, and corrosion certification within time frame determined upon entry position. Knowledge of construction materials, practices, and techniques is preferred. Ability to learn the proper operation of equipment, including backhoe, trencher, directional drilling machines, and other tools and equipment used in performing gas functions. Commitment to safety in all aspects of the job. Effective communication (oral and written). Valid Mississippi Class A driver's license must be obtained within designated time.

WORK ENVIRONMENT: The work is performed primarily outside under varying conditions, including time spent at construction sites. The work is conducted in close proximity to electrical circuits and there is potential for exposure to construction hazards, including gas fires and explosions and to contact with raw sewage, methane gas, and hydrogen sulfide. Physical stamina and mobility to and from various work areas and external facilities are required. Physical activities include sitting, walking on varying terrains, bending crouching, kneeling, reaching, standing, pushing, pulling, stooping, crawling in tight spaces (e.g. sewer manholes) and moderate lifting. The noise level varies when working outside. Effective vision (near or far) is required. Talking and hearing are necessary in.
